THE HISTORY of the HONORABLE J. C. PATTERSON COLLEGIATE INSTITUTE

Patterson's History

Our school, Honourable, J.C. Patterson Collegiate has the distinction of being the oldest school in Windsor. This year marks its 115th birth day.

Back in 1854, the towns people of old Sandwich decided to establish a grammar school. In 1857, the grammar school was moved to the nearby community of Windsor and occupied a building on Pitt Street. In 1861, the school moved to the third floor of a towering building that housed Neveur, Clinter, and Baxter Hardware Store. In 1863, it moved once again to a location on Chatham Street. Most of the students attending the grammar school were boys because most girls stayed at home.

In 1871, the grammar school officially became a high school. It moved to the site where City Hall Square is located today for a temporary time. Windsor Collegiate was then moved to Pitt Street where the Police station is today, while it was looking for a permanent place to stay.

In 1888, J.C. Patterson, inspector of schools, tired of keeping track of the wandering school, donated our present site. In 1894, a gymnasium was constructed on to the building. Then eleven years later, another addition was built. This new addition had steam heating, ventilation, an auditorium, lockers, and a swimming pool.

The first graduate of Windsor Collegiate was R.F. Sutherland, who was speaker in the House of Commons from 1900 to 1904. Many well known athletes attended our school. Tom Grant, Bob Simpson, and Zeno Karez are just a few.

During World War One, many Patterson students sacrificed their lives for their country. A plaque in our auditorium remembers the unfortunate, who were killed.

In 1931, Windsor Collegiate was renamed Honourable J.C. Patterson Collegiate in memoriam of J.C. Patterson.

In 1954, our school proudly celebrated its one hundredth birthday. Our enrollment in 1888 was only 140; in 1954, 700 pupils attended Patterson and today we have an enrolment of almost 900 students and a staff of 53 teachers.

In September of 1964, the new east wing was opened, and early last year our new library was opened. Patterson will be supplying many more years of vital education to Windsor students.

'FOR A SPECIAL FRIEND'

MEMORIAL

Never have the hearts of so many Pattersonites been so full of sorrow and grief as on that grave morning last October, when it was announced that our own J. Edward "Eddie" Dawson had died of a heart attack. And this man was truly "our own", a great one.

Side by side, Mr. Dawson and Patterson had grown older and richer together. As a student "Eddie" honoured the colours of Windsor High (now Patterson) with his fine basketball skills. After an illustrious ball career at the University of Detroit he took up teaching in 1932 and returned to his first love, P.C.I. Since that time many an inexperienced boy has been moulded into a top-notch competitor by this man. Mr. Dawson had something about him which demanded respect. Anyone who ever came in contact with him walked away the better for it.

He had an avid interest in every aspect of Patterson, but athletics was his pride and joy. Anyone and everyone who ever played under Mr. Dawson realized his willingness to give of his time, his knowledge and himself. At the same time a harsh word was never uttered by him unless absolutely just.

As a teacher he was great, as a coach superb, but as a man Mr. Dawson was incomparable. He was the kind of unselfish man who can never be forgotten. Whenever a club or team needed a sponsor teacher this man was always there to volunteer to keep Patterson moving. For this man was Patterson.

Far and wide the name of "Eddie" Dawson is spoken in fond admiration. His family must be ever so proud of the life and record he has left for the world to praise. He was never forgotten in athletic conversations throughout Canada. And he never will be.

If you walk the halls of Patterson Collegiate today you will not hear that familiar gruff voice. The voice of J. Edward Dawson has been stilled forever but its teachings and wisdoms will long linger on.

PRINCIPAL'S MESSAGE

The Patrician is a perfect example of the student activity which embodies a worthwhile objective, planning, persistent work, and involvement of many students. For the students who are completing secondary school at P.C.I., and to those who return, the year book will provide a lifetime of memories. The editor, her staff, and the faculty advisors deserve the thanks of the school for the Patrician, 1969.

My best wishes are extended to the graduates, and to the entire student body as we complete another school year.

A. C. Liddell B.A.

VICE PRINCIPAL'S MESSAGE

"Our youth now love luxury. They have bad manners, contempt for authority; they show disrespect for their elders and love to chatter They contradict their parents, chatter before company, gobble up their food and tyrannize their teachers." Does this sound like me or your parents? It is not. It was the opinion of Socrates, alleged to have been a very wise man, almost twenty-five centuries ago.

Of course, it is not true and probably never was, but in another twenty years you will be saying the same thing. Young people are restless and want change, and they should. Certainly there are many things in our world that need changing – war, oppression, poverty, starvation and unequal opportunities, to mention only a few. Except for a very small but vociferous minority, young people are fine, idealistic and determined to make a better world in which to live. This is an age of unlimited opportunity, and you, our young people, will produce a world far superior to the one in which we now live.

EDITORIAL

"We will pass through this world but once. Any good thing, therefore that we can do, or any kindness that we can show to any human being, let us do it now: Let us not defer it or neglect it, for we shall not pass this way again."

Upon reading this passage, I could not help but think how applicable it is to high school students. I thought particularly how important it is for us to make the best of our opportunities while we are in high school, for it is true "we only pass this way once" and the five years go fleeting by so quickly that we can not afford to waste a moment of this precious time. A wealth of opportunity is presented to us in all fields of education to-day, therefore, let us seek diligently after knowledge and do our best in our studies not just for marks, but for our own self improvement and personal satisfaction. While in high school we have the opportunity to lay the foundations for our futures, therefore, let us build them strong, sturdy, and dependable!

High school also offers a wide variety of activities which aid us in the development of our personal characters. These social, athletic and intellectual clubs are purposed to meet the varying needs and desires of each and every student. However our participation is vital to make such clubs successful and hence they depend on us. As the above quote states, "any good thing that we can do . . . let us do it now," applies very much to us. I feel, if we are able to give something of ourselves to make our school a better place to live in or to help a fellow student, in whatever aspect it might be, let us do it NOW; let us not delay for the opportunity may never come again. When our high careers are over, let us not regret the time we've spent and reflect upon these years as fruitless and unprofitable; but, let our thoughts be filled with many memorable, meaningful experiences!

Graduation Exercises

NOVEMBER 1969

COMMENCEMENT EXERCISES

Saturday, November 16, was the date of our annual Commencement Exercises this year.

Preceding the arrival of the largest graduating class in Patterson's long history, the Concert Band entertained the many guests with various selections. Upon the arrival of the graduating class, the Invocation was given by Rev. Father Lino Santi.

The audience was welcomed and Mr. McEwan introduced the co-chairmen, Rosalind Dawson and Mike Kelly. Rosalind then introduced the various guests in attendance among whom were: Mr. Rogin, Mr. Wortley, former Patterson teachers; Mr. Thompson, representing the Board of Education; and various Patterson alumni.

Next came the presentation of diplomas. Mr. VanWyck and Mr. Matus assisted with the Five Year Grade 12 diplomas; Mr. Wortley and Mr. Rogin presented the Four Year diplomas; Mr. Byng and Mrs. Bradd awarded the Grade 13's their diplomas.

The folk singers performed two very fine numbers and in addition Mr. Caird, accompanied by Miss Caird, presented a trumpet duet to delight the audience.

Cathy Datillo, now studying at the University of Windsor, was this year's Valedictorian. Her words were centered around past experiences at Patterson and the fond memories we all cherish. Bonnie Green later presented her with a gift to show our appreciation.

Ontario Scholarships were then presented to Shawn Ripley, Cathy Datillo, Robert Affleck, Gum Ing, and Glen Ladouceur. Elizabeth Gradley, Paul Kapusniak, Mary Miller and Roy Vanderwack received various scholarships and bursaries. The Panthora Prizes were also presented. The Principal's award this year went to John Dinham.

Next came the singing of God Save the Queen, led by Mike Kelly; this marked the end of a very memorable evening.

GOD'S CHRISTMAS GIFT A MAN CALLED "BOBBY"

The night was dark and peaceful
The only things that glowed
Were stars, the moon, and candlelight
That lit the dusty road.

And on that road so dusty
So rocky and so steep,
Went Mary, Joseph, cold and numb,
To find a place to sleep.

On a donkey's back so shaggy
They went to the old inn door,
But there was no more room for them,
Except a stable poor.

Yet in that old, grim stable,
Beneath the stars so bright,
Was born a holy, sinless child
That bleak and dismal night.

This child was poor and humble,
Yet rich kings ventured far,
To seek the holy Prince of Peace,
Beneath the silver star.

And angels sang about His birth
To shepherds and their sheep,
They too went forth to seek the Babe,
Who in a manger sleeps.

And so this child so humble,
Of low and sinless birth,
Has come with all His gifts so great,
The Saviour of the earth.

This year a man called "Bobby",
Was taken from this land.
He was taken by God the Giver,
Through a very hateful man!

His years in God's great army,
Had numbered forty-two.
This man had been God's prophet,
To people like me and you!

He talked of only good things,
Things that were so right.
And never for a moment,
Did he let God out of his sight!

He told of great things
That were to come.
And never feared for his life,
That was ever so young!

Now without "Bobby's" great life,
Stands a nation troubled with strife,
Ten young children,
And one brave wife!

Christ died on the cross,
For the same things "Bobby" professed.
And now, our great "Bobby",
Is God's eternal guest!

UNIDENTIFIED

Jr. 2nd.

A lonely man.
No one to talk to,
But maybe Noah who saved the creation of man.
Oh! What a pity
To Have to look down on this Universe of
Hate, love,
But so divine,
To know someday he's coming back.

-- Darlene St. Denis

Sr. 1st. A GOD?

Who is it that said there is no God?
Who is it that says He's dead?
Who is it that says the world's not round,
But is really flat instead?

Oh no! you're wrong, there is a God;
A God not in spirit alone,
But in the birds and trees and flowers.
A God not made of stone.

Who said that God would stop a war,
And lead all men to freedom?
Who said that God does not like black?
Oh God! give these men wisdom.

To you I say, I may be wrong.
There may be no God with power.
But if this is, please tell me, Sir,
Who made this pretty flower?

Sr. 2nd. ONE CHANCE

Helpless and tiny, he was given a gift,
And grew with it every day.
He soon noticed others playing around him.
Would they progress or decay?

Later on, as time unfolded,
And brought him new discoveries,
He built his castles in blossoming weather.
These would be his treasuries.

He began to reason, and soon found out,
That life is daring and bold.
It was five o'clock; he did not worry,
But strife was bitter and old.

As he looked back, and saw himself
Selfish, dishonest and mad,
He realized that castles aren't really treasures
And success is not measured in gold.

THE MARCH OF THE BED BUGS

I've visitors at night, you know,
And they all enter row by row.
There's Herman, Hilda, Mike and Joe,
Larry, Garry, Gertrude and Moe.

I've visitors at night you know,
They come to visit me when the moon is low.
They crawl the bed-post tall,
And Herman has a southern drawl.

They're really nice and very cute
Especially Joe, in his Sunday suit.
You really don't know how friendly they are,
Though Hilda lately hasn't been up to par.

You want to know who my friends may be,
They're bed bugs as we all agree,
Black bed bugs marching long and hard.
Up the bed-post one, two, three,
And they all have come to visit me.

“ IF ”

If I am but a simple mite
On Noah's gigantic ark,
Or if my rays aren't very bright,
And only a tiny spark;
I'll consider myself a speck of blood
That from many a body flows,
And be content to be the bud
That soon becomes the rose.

If I am but a drop of rain
From the multitude of clouds,
Or if I am the minute grain
That will form a wheated crowd;
I'll consider myself a bead of sweat
That falls from many a brow,
And be the worried second of fret
That was cherished until now.

If I am but a quiet knock
Which fell on your great door,
Or if I am a useless rock
In the mountain of life's great core;
I'll consider myself a root of love
That can be found in me,
And be content to be the dove
That is just one in thee.

❀ DESIDERATA ❀

Go placidly amid the noise and haste and remember what peace there may be in silence, as far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in misfortune, but do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and stars; you have a right to be there. And whether it is clear to you or not, no doubt the universe is unfolding as it should. Therefore be at peace with peace with God, whatever you conceive Him to be, and whatever your labours and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

 Bonjour
 I went to the Assumption dance
 Yeah, you can borrow it
 It's just too cool
 Hi Ian
 Guess who I went out with?
 Where's Sharon?
 Could you explain that
 It looks like a horse bit you

For the second year in a row our senior football team won only two games while losing four. However, due to Forster's 0-6 record we moved from fifth to fourth place. Our two victories came over Brennan (9-8) and Forster (16-13).

In spite of the poor mark we were not eliminated from the playoff race until our season-ending loss to Kennedy (15-14). They can't say that our guys didn't at least try.

Although our offence couldn't be said to be fierce, it did leave a few bright spots. For the second year in a row John Kambouris ran the team extremely well. Wayne Wilson, Sam Jean and Wayne Andreas centred the aerial attack well and Sam Jean, Augie Buzzeo and Robert Smith were adequate runners. Another back, Jim Chase, was injured in the fourth game but was still picked for the third All-City Team. I also must congratulate Terry Murphy, a lineman, who made the third All-City Team. He played tenaciously all year and certainly deserves this recognition.

With many players leaving we must only hope that the other schools are losing more, or next year will be no better. We will just have to wait and see.

SOCCER

Doug Gardner 13A

This year's Patterson soccer team was one of our best in many years. It had good balance up front, a fine defence and most of all, one of the best, if not the best, goaltenders in the league, Frank Vitella. With this power the team easily made it to the city finals and faced a fine Walkerville team, featuring the league's leading goal scorer, Peter Pican.

However, just before this final series began the team was shocked and saddened by the death of their fine coach, S. E. Dawson. With this incentive to win in them, the boys played two excellent games but unfortunately lost both, thus bowing out of the finals.

Credit must be given to a few players whose individual efforts sparked excitement. Veterans Ken Bashura and Greg Chickee played extremely well and rookie Fred Rivait looked like another Pete as he ran up and down the field. As stated before, Frank Vitella was tremendous and singlehandedly won many games with excellent goaltending.

This year an All-Star team was selected for soccer and Patterson was represented by Fred Rivait and Greg Chickee. Congratulations on an excellent season.

BOYS' VOLLEYBALL

Once again the Patterson fans didn't have much to cheer about when the boys' volleyball team took the court. They just barely kept up with the football team as they won two games.

But at least this year there was a commodity which had been missing for many years - hustle. This was noted by the many dives to the floor for stray volleyballs by the starting six - John Smith (captain), Doug Gardner, Rick Marentette, Gerry Vanderkwaak, Jim Jee and Mark Fedikow.

At least next year the team has nowhere to go but up. Good luck!

Cross Country

This virtually unknown sport finally came into its deserving prominence this year due to the fine efforts of our new track coach, Mr. Woods. Many more runners turned out this year than in previous years. All the runners did very well, however one boy stood out among the rest. Mike Lauzon, after much strenuous and lengthy practice, finally came into his own in cross country. Wearing the school colours proudly, he finished close to the front in almost all his races. At the All - Ontario track meet he represented Patterson very well. Let's hope that this start in cross country will not stop this year when Mike graduates.

The girls had a successful season this year and came very close to the finals. The eleven girls on the team all showed good sportsmanship and style. When the team was in one of its depressed moods then the good humour of Rosie Beretski and Andrea Allen boosted them up and they put up a real hard fight. Diane Bissell, Margaret Andonean and Annette Ivans shocked the opposite team with their fearless spikes, while Andrea and Rosie bombarded them with powerful serves. With the rest of the team backing them up with good setups and retrieves we had an A-1 team. Next year Patterson will make the finals and win. This great team owes thanks to its coaches, Miss Liszczak and Mrs. Scully, who really made them work!

JUNIOR GIRLS' VOLLEYBALL

Congratulations should be extended to our Junior Girls' Volleyball team. They worked very hard this season and their hard work gave them a place in the city finals. Although they were defeated, they displayed the true Patterson spirit of which we all are so proud. The team represented our school well; we would like to thank their coach, Miss Liszczak, for all her time and effort.

Once again, this year, the new Patterson image of losing in the play-offs was kept up. The team went through a reasonably good season with a 10-3 record but were beaten handily by the faststepping Brennan Cardinals in the quarter-finals. But with the talent available and their lack of experience it seemed that their limit was reached by getting into the play-offs.

Many trouble spots on the team forced coach McCaffrey into juggling his starting line-up many times throughout the year. He realized that he couldn't just play five players as was his strategy in the past years. A lack of a strong, dependable centre forced McCaffrey into moving John Dinham and Mark Fedikow in and out of the pivot. With more playing time Fedikow looks good for the future. At one forward spot flashy Gary Curgin and Jim Jee were slugged back and forth. Curgin was a little quicker but lack of experience caused him to make many turnovers in key situations. However, his potent, but inconsistent, shooting ability usually put him ahead of Jee, who suffered from many lacklustre games. At the guard spots, three equally talented players contested for the starting position from game to game. Never knowing who was going to play seemed to be determined to Frank Vitella, Fred Rivait, and Jim Chase as they played under the premise that one mistake and they were out of the game. Vitella's all-round play and especially his tenacious defence appeared to make him the better of the three. Chase and Rivait, however, were right up behind him in talent.

The only two solid performers on the team were John Smith and Fred Logan. Smith, although not scoring up to expectations this year, was the complete ball player. His excellent play making and fine defence made him one of the better guards in the city.

However, I feel the biggest mistake of the year was the exclusion of Fred Logan from the All-City first team. Fred's scoring ability (third in the league) and excellent, if not over-powering, rebounding surely merited him better than a second team placing. He's still All-City to us at Patterson, though.

With many players leaving this year the team looks a little shaky for next year, but I'm sure they will do all right.

SENIOR GIRL'S BASKETBALL

Our senior girl's basketball team is to be congratulated and even more so; this year they marched on to capture the SWOSSA trophy again.

Many students had no faith in this team at first, but as we won game after game, they realized that this was an exceptionally good team that had the potential to go all the way, and therefore backed them up. We have such great memories, for example the game against Forster, where we won by two points during a three minute overtime. The thought of playing against St. Mary's and Walkerville stole our girls up a bit but they were victorious.

The team entered the finals against Forster. This game was very exciting and close ending in the tragic victory for Forster by one point. Our girls were heartbroken but this made them strong. With revenge in their hearts and want of success our girls went to Chatham and captured the SWOSSA trophy by defeating Essex High School and Forster in the finals. Three cheers for this outstanding team!!!

Some of the strong players on the team are Sharon Whitehead, Teresa Montagano, Laura Crosby and Georgina McKay.

HOCKEY

Once again the tides of misfortune befelled this year's hockey team. After last year's record of 0-9-1 it seemed almost certain that they had nowhere to go but up. But a stronger league and much inexperience brought this year's edition a 0-10 record.

One thing that can be said about this year's team, though, was that they were fighters. They never gave up and tried to lick the team if they couldn't beat them. The one bright spot on the team was the play of forward Ken Bashura, who finished in the league's top ten in scoring. His best performance was a four-goal effort against Tech.

Thanks must go to Mr. Hall for his fine coaching and ability to stick it out in what must have been a very frustrating year.

A message from Chrysler Canada Ltd. to all you young men and women who will come of driving age this year.

Thrill of a lifetime: First solo in the family car.

Your province says you're old enough to drive.

You have a driver's licence.

Your dad says you can take the car.

You're on your own—no big person to tell you what to do, how to do it, where to go, how fast to go there.

Turn the key—Put'er in drive . . . Step on the gas . . . and let her roll.

What are we waiting for?

● We hope you're waiting for a few words—not a lecture nor a scolding—from a company that makes cars for a lot of dads like yours.

The first time you take out the Family Car you put yourself in the situation that separates Kids, with merely a licence to

drive, from Young Grown-Ups with moral driving responsibility, and mental driving good sense.

You may have the quickest reflexes in your block and 20-20 vision, but if you don't have 50-50 respect for other cars and drivers on the road and for the money your dad has put into that car you're neither old enough nor good enough to drive. No matter what that driving licence says.

You're starting to drive in an age when cars are built stronger, handle better and drive safer, but even a Sherman tank or an armored Brink's truck can't stand up against some of the dumber drivers and red-hot speeds on Canadian roads today.

You're the country's driving hope. The only real chance motorists and motoring have for the future is that young drivers coming on our roads today will be better, safer, more responsible drivers than their fathers or mothers.

There is no reason why they shouldn't be.

As one teenager, recently quoted in a newspaper, says, "We teenagers are good drivers. The only trouble is that because we're so good, some of us get too sure of ourselves and take too many chances." Let's look at it this way: The first time you take out the family car on your own, you're boss of thousands of dollars' worth of steel, rubber, aluminum and glass.

It has everything it takes to get you somewhere and back—except a brain.

Don't forget that's the most important thing about driving—and the brain is you.

One dumb driver can cause an accident, but when two dumb drivers meet, there isn't a prayer. You be the smart one.

There are a dozen ways a kid can show he's growing up, but the surest way to judge him is "Does he drive Grown-Up Style—really grown-up?"

HEAD GIRL'S MESSAGE

A balloon, merely filled with helium and then released, can only go in one direction—up. This statement ten years ago would be true. Now, in our modern life, if this same balloon were somehow abandoned in space, it would, instead of following an upward path, acquire an orbit and go in circles.

Likewise, the graduated student, "filled" only with knowledge, would, ten years ago, be equipped perhaps to follow an upward path. However, in our quickly moving, quickly changing age—a space age—this student, "armed" only with knowledge, would find himself lost in that same circle.

A good education, certainly, is a must. But it is not synonymous with success. What does the knowledgeable person contribute to his community or school if he lacks interest, ambition, and the imagination to incite change and innovations? With the dawn of the space age, daring achievements have been realized, conceived by intelligent, imaginative, and ambitious minds. It is obvious that man no longer is satiated, with knowledge alone, nor even with the quest for more knowledge.

The nine to three-fifteen student, disinterested in the extra-curricular activities offered to him, and going to school strictly for his diploma, is hurting himself. This "un-involvement" can only be detrimental for his future attitudes. His imagination and creativeness must be stimulated and nurtured now. This can be attained only if the individual is interested, eager, and willing enough to apply himself and become involved.

Emphasis has been placed, and rightfully, on education. But certainly, who is satisfied with a prosaic existence, content to "follow the circle"—impervious to new ideas? The student who shows active interest in himself and in others, who eagerly cultivates his talents to capacity, and who is willing to become involved, is the successful citizen of tomorrow.

-- Rosalind Dawson --

HEAD BOY'S MESSAGE

This year in the month of January, Ontario students received a notice concerning lengthening of the school year from the Provincial Legislature. It didn't take long before the rumblings of discontent started echoing across the province. Student walk-outs, letters of protest and disruption of classes followed in most parts of Ontario. There was no doubt, a majority of students were voicing their complaint openly.

The world is changing and we must face it. Life is not one big bowl of cherries and in our world, only the "fittest of the fit" will survive. Henceforth, by our standards those who obtain an education will reap the rewards of tomorrow.

— Mike Kelly

ELECTIONS

AN ACCOUNT OF THE PANTHORA ELECTIONS '68-69

The Panthora election this year was not filled with the zest of enthusiasm it has seen in the gymnasium. However all the candidates did display a real interest in their campaigns shown by all the posters which literally papered the walls of corridors in the school. The campaign programs in the auditorium were widely diversified. Some used serious platform speeches, while other used funny skits to put across their view. On this extreme probably one of the most memorable skits was that of the Great Yellow Banana put on by Jo-anne Grayson of 12E. Balloons, bubble gum and confetti also fell abundantly from the balcony as part of these festivities. However, when the fun was over the serious business of voting was at hand. The student body of P.C.I. chose its elective representatives for the year '68-'69. The people were Rosalind Dawson, Bonnie Green, Doug Gardner, Mike Kelly, Merly Keyes from grade 13; Scott Curoe, Chris Duriancik, Jo-anne Grayson, Paul Joliquier, Martha Young from grade 12; Robert Gill, Wayne Halpert, Pearl Lee, Larry Smith, Milicia Yaksich from grade 11, Doug Annette, Doug Krestick, Graham MacFie, Grace Mousseau, Gwen Patterson from grade 10, and finally from grade 9: Susan Beattie, Robert Jackson, Olga Kosak, Della Wright, and Dennis Young. These 25 people then met to nominate candidates for head boy and head girl. They chose Martha Young and Rosalind Dawson, Mike Kelly and Scott Curoe. Another week of campaigning then followed amongst the four candidates. Another assembly was held, but this one had a more serious atmosphere than the one a week before, the coveted possession of President of the school was riding in the balance. Again the student body voted this time choosing the person they wished to lead their school. This time the students of P.C.I. chose Mike Kelly as their head boy and president and Rosalind Dawson as their head girl and vice-president.

CHAIRMAN'S REPORT

The Social Committee

Few students realize how much time and effort are involved in the running of the social committee. The committee as a whole is responsible for planning dances and securing bands. They plan decorations for special dances such as the Sadie Hawkins and Christmas dances. Many hours and a great deal of work go into these affairs. The annual Commencement Exercises owe part of their success to the efforts of the social committee. Many arrangements are necessary in order that the prom be a success. The social committee has the responsibility of making sure that preparations for an event are completed on time.

The sponsor teacher, Mrs. Bradd, and chairman, Martha Young, should be highly complimented for their diligent work along with the members of the committee. The imagination and sense of organization of Mrs. Bradd and Martha Young proved to be valuable assets. The committee as a whole proved itself to be very hard working. It can be said that the school year would definitely be dull without the efforts of the social committee.

Martha Young

SADIE HAWKINS AND CHRISTMAS DANCES

Before Christmas the social committee prepared two special events; the Sadie Hawkins Dance and the Christmas Dance. The Sadie Hawkins Dance was held on November 9. The Crescents supplied the music. For this dance, the girls had to ask the boys to go with them or go alone, in which case they had to ask the boys to dance while there. Everyone was to come in hillbilly dress. Michelle Clements and Ken Bashura won records for the most original costumes.

Secondly, was the Christmas Dance which was a dress up dance. The Blues Train rocked the gym with psychedelic-soul. Everyone was put in the Christmas spirit by the colourful decorations in the gym which included presents under trimmed tree.

All in all, the social committee is trying to break the monotony of the regular dances. As chairman I would like to thank our sponsor teacher, Mrs. Bradd whose help was appreciated and all the members of the social committee.

PROM QUEEN LESLIE HANNON
AND HER ESCORT.

THE PROM

A novel and memorable evening was in store for all those who attended our annual spring prom, the night of March 8. The Dieppe Room of the Cleary Auditorium was the setting for this highlight of the school year. A Detroit nightclub band, the Leonard McIntyre Quintet supplied the music.

Perhaps the climax of the evening arrived with the announcing of the new prom queen. As the eight nominees moved to the front of the band platform, it was announced that Leslie Hannan had received this honour. Jeanne Brocklebank, the previous year's queen, presented Leslie with a tiara and handed her the traditional long-stemmed, red roses, which were generously donated by Philipps Flowers. As the band dedicated a song to the new queen, all the girls and their escorts danced.

Leslie's court consisted of Jean Lee, Rose Boretsky, Margaret Andonian, Julianna Kosak, Joyce Colarco, Lynn Fraser, and Rosalind Dawson; each girl received an individual rose. The queen's gifts included a dinner for two at the Mai Mai, a five dollar gift certificate at Birks, two shoe gift certificates from Belinda and Bata shoe stores, and an appointment for a hair wash and set at Smith's.

The majority of those who attended the prom were extremely satisfied with it. Indeed, the Cleary Auditorium successfully set the mood for this very special evening. I, along with everyone else, thank the Social Committee for their efforts in making the prom a very successful one.

JUNIOR ASSEMBLIES COMMITTEE

This year the Junior Assemblies Committee was under the leadership of President Gwen Paterson, with Mrs. Hutchins acting as the sponsor teacher. Although there weren't very many assemblies this year, the ones which were presented, were very enjoyable. The main event during the year was the plays presented in the Junior Assemblies Play Contest.

The competition in the plays presented this year was very tough, although there were only four plays presented.

The plays put on were as follows: 91, Mind Over Matter; 10A, High Window; 10C, The Courting of Marie Jenvin; and 10D, Instructions For Gary. All were excellent plays as Mrs. Dodd, Mr. McCoy, and Mr. Stone stated in their adjudication.

Probably the most original play was given by 91, where there was audience participation. The excellent direction and supervision given by Denny Young and Miss Liszczak certainly was evident in the smooth performance.

A touch of French Canada was seen in the play by 10C. The setting took place in a French Canadian inn. Cathy Moore was the director, and Miss Hastings was the sponsor teacher.

Debbie Jackson was the director and Mr. Van Wyck the sponsor for the play of 10A, which turned out to be a very enjoyable melodrama. Elizabeth Berryere gave an exceptional performance, portraying an old woman in a wheelchair.

The winning class, 10D, gave a wonderful showing of their play. It was produced by Nancy Uhrlik, and directed by Alison Caird. The sponsor was Mrs. Bradd. The scenery was realistic as was the performance given by the characters. Originality was also present in this play because of the stage division into two parts, living room and terrace.

I think I can truly say that everyone in the junior classes enjoyed seeing the plays, and the classes enjoyed putting on the plays also.

I only hope that there will be more classes performing plays next year.

Graham MacFie

CHRISTMAS ASSEMBLY

This year's Christmas Assembly was a success, thanks to the support of both the Senior and Junior Assembly Committees. Debbie Jackson opened the assembly by singing "Rudolph the Red-nosed Reindeer" with a touch of "Motown". After Debbie, a take-off on the television show "The Dating Game" was presented. Three unsuspecting bachelors (Jim Chase, Mike DuFrane and Doug Gardner) were called up from the audience to answer the questions of an eligible bachelorette (Rose Boretsky). Following the questioning Rose chose Doug Gardner for her date, although all three bachelors were magnificent at answering the questions spontaneously.

In the second segment, Mr. Copat was escorted from the auditorium while the three female participants were brought on stage. Two teachers (Miss Liszczak and Miss Kreutzer) were the two bachelorettes and Mrs. Copat made up the third. Mr. Copat was brought back and asked the three women numerous questions. Although the answers of Misses Liszczak and Kreutzer were surprisingly funny, Mr. Copat chose his wife.

At this point Santa arrived; he proceeded to call students on stage to give them gifts. Santa also held the mistletoe over this year's Christmas Couple, Lynne Fraser and Terry Murphy.

To close the entertainment part of the assembly the folk singers led the audience in the singing of Christmas carols. After a few announcements the school was dismissed for the Christmas vacation.

SENIOR ASSEMBLIES COMMITTEE

The Senior Assembly Play Contest was poorly represented this year with only three Grade 12 classes participating.

The first play was a comedy presented by 12-E, entitled "The Man of the House". The play involved a man who was "Hen-pecked" by his wife and her family. Robert Reese, who played the part of the husband, won a nomination for Best Actor, Fred Van Beek as the cousin won a nomination, with the nomination for Best Actress going to Martha Marucci for her role as the cousin's wife.

The second play was also a comedy called "The Mystery of Mouldy Manor". 12-C's play was about a kidnapping that took place in a dishevelled house. The occupants of the manor were a group of unusual persons with an array of different characteristics. One of the most unusual characters was portrayed by Foo Yee. He won the award for the Best Actor for the role of the mad doctor. 12-C also boasted the Best Actress; Ursala Steim won the award for her role as Hulda, the Swedish maid. Both Foo and Ursala were outstandingly funny and obviously won the favour of the audience.

The last play in the contest was the drama, "The Monkey's Paw" presented by 12-A. The play revolved around the three wishes bestowed upon the paw. The paw was brought to Mr. White (Bill Mandich) by an old soldier (Scott Curoe). Mr. White wished for wealth, but the wish resulted in the death of their son (Chris Durancik). Mrs. White (Diane Vickery) for the second wish asked for her son to be alive again. However, realizing the danger of his return Mr. White wished him dead again. The final scene of the act provided the best display of acting in the entire contest. Even though it did not win either Bill or Diane a personal award, it was decisive in the judge's choice, as this play did win the award for the Best Play in the Senior Contest.

GRADE 9 PLAYDAY

The third annual playday was again held on our back campus. All grade nine students participated. They formed teams which were then divided into one of the two circuits, each circuit consisting of nine stations and a rest station where refreshments were served. The class championship was won by 9D with a total of 437 points. The individual Boys' and Girls' winners were Joan Golden of 9H and Mike Johnson of 9D. Thanks to Mrs. Spring, G.A.A., B.A.A., the Boys' and Girls' Physical Education Depts. and all others who assisted in making this playday a smashing success!

TRIP TO STRATFORD

Accompanied by Mr. and Mrs. Hallam, Mr. Hooper and Mr. Van Wyck some fifty students assembled at the CNR station on a brisk September morning. This day will be a memorable one for these students, for this was no ordinary class field trip but rather a visit to the Shakespearean Theatre in Stratford. After a three hour train ride, in which students occupied themselves by singing, playing cards or just sleeping, we finally arrived at the theatre. With still two hours before the performance many students enjoyed the beautiful park surrounding the theatre on the Avon River. However, the beauty of the grounds was greatly surpassed by the excellent performance of Romeo and Juliet. After the play, still talking about the beautiful Juliet or handsome Romeo, the students were allowed to go into the town of Stratford where some went shopping or just walking. Then the time came to leave and regretfully these students boarded the train for home. Many of the students, enthralled by the beauty of the experience, vowed to return to Stratford - for this trip was indeed a memorable one for all of us.

TRIP TO WATERLOO

Under the supervision of Mr. MacEwan, some forty students visited the University of Waterloo on November 2. Despite the fact that everyone was required to be at the school at five-thirty in the morning the trip was exciting. The bus ride itself was enjoyable. Several students formed their own little folk group which was later joined and led by Mr. MacEwan.

Upon arriving at approximately nine o'clock we were led to the Mathematics building. Here, after listening to some lectures we were able to write up our own programs, punch them out and run them through the computer. After a lunch break we toured the university, then returned to the computer centre, if we so desired.

Then we were told to be at the bus at five o'clock to leave. But after a short delay we were on our way home. Everyone seemed to feel that the trip to Waterloo was well worth the time and trouble. However, there was a fault. It was too short.

The P.C.I. Concert Band

The P.C.I. Concert Band improved over previous years in 68/69, thanks to the hard work of Mrs. Strachan, our conductor. This year the band increased by approximately 20 students over last year, bringing the total to 62. Several hard working grade nine players joined the band members from last year, along with a few from other grade levels. This year's President and Vice-President, elected by the band members, were Gerald Theobald and Bob Kominar, respectively.

During the year, the Patterson Band participated in many events. In October the band performed at a flag raising ceremony at City Hall for United Nations Day and at Dougall Avenue Public School. We also performed at the Commencement Exercises in Nov. On March 7, cheers and whistles accompanied the performance at Immaculate Conception.

On December 5, the band held 'Festive Overture', an evening of music. During the night, the band played several numbers, including Festive Overture, Battaglia and Soliloquy for Band. The Folksingers sang a couple of numbers and Jean Godden, also a P.C.I. student was guest soloist. Those who were there would agree that it was a memorable evening.

In the Windsor Secondary School Music Festival on March 30, the band represented Patterson with a fine performance in the Walkerville gym.

A Patterson Music Night was planned for the end of April. Both the senior and the junior band participated. With the support and co-operation of the student body the evening was a success.

This year the band was granted permission to go on an overnight trip. Chocolate bars were sold and a baked goods sale was held to raise money for the trip to Niagara Falls. The baked goods sale was a success and likewise, the sale of chocolate bars were very good. The top three salesmen this year were Gary Smith, Joan Godden and Cynthia Smith. Each won a prize for their outstanding efforts.

As previously mentioned the band was awarded permission to go on an overnight trip. We also were given the privilege of entertaining a band from Niagara Falls. They came March 28 and left Sunday March 30. The school was entertained by the guest band Friday afternoon. Saturday morning Patterson and Westlane Secondary School listened to Kennedy and their guest band rehearsal in a mass band in the Kennedy gym. Saturday evening a dance and social evening was held for all bands participating in the exchange trip. It was an enjoyable evening for all.

On April 11, Patterson left for Niagara Falls. We played for them in an afternoon assembly. Saturday morning we participated in a mass band and during the afternoon we toured Niagara Falls. The dance Saturday evening was great. The rock and roll band added to the event. In all, the whole band had a lot of fun and were given the opportunity to meet many interesting people.

In the future the concert band will endeavour to improve and uphold the tradition of P.C.I.

FOLK SINGERS

BACK ROW: Gerry Theobald, Kathy Jaswik, Sandy Smith, Gary Smith. **FRONT ROW:** Cynthia Smith, Janet Miller, Mr. McEwan, Anja Van Beek.

In our second year, the number of folk singers have decreased. Instead of the hearty fourteen of last year, we only had seven people come out. Even this scanty number went down to six. However, with new voices and a new guitarist, our small group has really moved around. Besides our appearances at assemblies, we've been to various places outside of the school. For instance, in the fall, we performed for a second time for the senior citizens.

Then we went along with Mr. Percy and the drama club to sing at three of the public schools in Windsor. The biggest thrill though was our being able to perform at the Elmwood. Mrs. Goodbrand was at one of our concerts at a banquet and asked us to sing for the I.O.D.E. Chapter banquet. I'm sure that everyone in the group will remember that occasion for a long time.

This year, we finally came up with a new name other than the "Patterson Folk Singers." We are now calling our group "The New Addition." So, with our new name and our spirit we hope that next year will be as good a year as was the year just past.

DAVID AND LISA

This year's major dramatic presentation was "David and Lisa." David, played by Mark Baker, and Lisa, played by Janice Frenette, are both mentally disturbed. Where David cannot bear to be touched by other people, Lisa, a schizophrenic, has retreated from reality to a world of childhood fantasies, speaking only in rhyme.

David's parents are well-to-do people. His mother Julie Kosak is a domineering, possessive woman who refuses to accept the severity of David's condition. His father, Peter Appel, on the other hand, is sincere but cannot understand where he failed David. They decide to send him to an institution for rehabilitation.

There, David is under the watchful eye of Dr. Swinford, alias Dragomir Jovanovic. David develops a keen professional interest in Lisa and through her, and by helping her, he improves his own condition as well. He, even, rivals John, played by John Zangari, for her trust.

However, after showing no apparent improvement, David is taken home against his will by his parents. But, he returns on his own, a changed person - to the extent that he, even, takes Lisa's hand in the final scene. This action symbolizes David's conquest over his own infirmity, and paves the way for Lisa's recovery.

THE P. C. "EYE"

For the first time in ten years, Patterson had a school newspaper. But this school newspaper was unlike the "New Patrician" of 1964-65. It was not meant to be the yearbook when all copies were put together. Unlike the "Maroon and White" of 1959-1960, it was not a monthly summary of events.

The P.C. "Eye" was a weekly "news" paper, printed on newsprint, and sold each Friday morning for 15¢ to the school body. It not only covered the newsworthy events of each week, but probed deeper into topics, by means of a special feature. One page was devoted to student opinion and all were invited to write in.

Throughout the year, P.C.I. students learned obscure facts about Mr. Dawson, laughed at Lovely Loquacious Lolita – sometimes reddening, got the real facts behind the cafeteria's food, searched for the "Eye's" 'boo-boo', and steamed at the extra week of school. They could get insight on the proposed constitution changes, the Black History course next year, and English course changes, by reading their school newspaper.

Excitement was aroused by the appearance of another paper, "The Black Panther" early in 1969, and the resulting controversy brought some life into school – and roused spirit, because for a time, Patterson had two school newspapers, and most Windsor schools had none. The whole affair was a good experience for all involved.

In summary, the P.C. "Eye" contributed greatly to the year 1968-69 at Patterson and was a valuable experience for all involved, perhaps opening careers in journalism and business managerial fields, for those who chose to become involved.

Publicity Club

The duty of this club in the life of the school is to announce sports, activities, plays, films or any other extra-curricular functions which take place. The signs give information and arouse enthusiasm for the project.

A new addition to the club this year was the bulletin board in the front hall. The main events for the week are announced on it and it has been a help in letting students quickly get the week's activities. Occasionally a fight poster is placed in the lower hall for the team players to write anything they wish.

Anyone who wants anything publicized knows where to come.
